

2019 모산조형미술관 국제레지던스 프로그램

Mosan international stone sculpture residence Program 2019

Mosan art museum international stone sculpture residence, operated by the Mosan Art Museum, provides an environment in which artists are able to concentrate on their artwork while surrounded by beautiful, tranquil nature.

Mosan Art Museum invite you all to The 16th international stone sculpture residence, with great honor. Our goal is to have represented one country famous artists from all around the globe to compete through interaction and friendship, for each of their own cultural arts in pursuit of world peace.

The organizing committee of Mosan Art Museum aims to hold a successful art Residence as well as to work efficiently in order for all our visitors to leave with more friend and fond memories of the Residence.
